

We is greater than me

This is why...

- Building relations with our Moose family is so important.
- Let's roll up our sleeves and call our Moose family who have let their membership expire
- Discover what it takes to bring our family back together
- Include ALL members in your membership drive so...
 - ❖ they too can learn the value of who we are &
 - ❖ what we can do together.

**We can make it
happen!**
