

## Outstanding Law Enforcement Officer/Firefighter/EMS Person Contest Guidelines

- A. An application package must be prepared for each candidate, in each above category. The judges will go by what they see and read in each packet. You may get help or information from the candidate, their fellow workers, families, or friends. THE MORE INFORMATION, THE BETTER.
- B. Packet must contain the Nomination form signed by the Lodge Governor, Senior Regent or Legion President and the Valor Program Chairperson.
- C. Needed are copies of letters, news clippings, recommendation from their superiors and anything else available to further their recommendation status. The Valor Program Review Committee will want to know the “Who-What-Where-When and How” of the candidates actions, that prompted us to select them for this honor.
- D. If you have any questions or comments feel free to contact me.
