## Thoughts from The Editor

As we are still dealing with fall out from the Covid Virus, we must keep our eye on our future horizons!

It seems a lot of things are still up in the air as to what is happening, what can happen, and at the time of this printing, we’re still trying to figure out if the Annual Convention will include everyone in a face to face format or if it will be conducted from Ocean City in a virtual format.

Make sure you’ve taken advantage of trainings offered. I for one attended the Lodge Leadership and House Committee training and found it incredibly informative. While on line trainings are convenient, there’s nothing better than live coaches who can answer your questions. Let’s face, it not everyone is geared toward or has an innate sense of how a business should be run. This class is a great tool and I encourage not only men but the women to attend as well.

In this issue I have asked lodges and chapter to send me what will be happening in the near future. If you’re in their area on days events are offered, or see something of interest, be sure to make plans to support them!

Until we see each other again, Be Well!

Fraternally,  
Jean M. Neal, PDGR—Editor

## Message from President Mike Boris

Brothers, WOTM and Co-workers,

What can one say about this crazy year??? Here goes: First of all let me say thanks for a great conference in March. I had many members say that it was one of the best they attended.

Then Covid 19 hit. WOW!! Who would have thought a virus could have created so much havoc.

I would like to thank the Great Lodges in our Association for abiding with all the state and local restrictions they have put on us. Unfortunately it hurt their business and membership; but we will recover. “We are Moose and that’s what we do.” (from Bruce Berger S.G.) Speaking of Bruce, he has said how much he enjoyed his visit to the Lodges in our Association. Thanks to Bobby Hall for making his visit so enjoyable and informative.

May of our Lodges took this down time to “spruce up.” Thanks to all the Governors, Administrators and members who gave their time, energy and money to make this happen. Way to go guys and gals! You should be proud of what you’ve done.

Congratulations to all the members who have achieved higher degrees, both men and women. You deserve it for all the hard work you have done to achieve the next step in fraternalism.

Congratulations to the Lodges that achieved the Premier Lodge award. It’s been a tough year to do this. Hopefully all the Lodges will achieve this award this year. “Get ‘er done.”

Membership ... there is a great campaign going on now: Lifetime Membership. Get the details at your Lodge. Retention is still the key for a strong Association. Let’s keep at it, *it works*.

I would like to thank everyone who supported me this year, in many respects: Mike Stumbaugh-TM, Jeff Ringer-TM, Chris, John, Chuck and Russ, who I drove crazy with calendar stuff. Thanks, guys.

I would also like to thank the many other Chairmen and members who helped me out. Thank you for supporting your Association.

Fraternally,  
Mike Boris

## Deputy Grand Regent Dr. Deb Frye

Co-Workers and Lodge Brothers-

What a different summer our Nation has encountered! We continue to have new and changing recommendations/requirements in place throughout our region on a daily basis. I hope that everyone in our fraternity has remained healthy! This has been a time of loneliness, separation and people who have suffered mental health issues during this pandemic. If you know someone in your community that has had a difficult time, please reach out to them.

How many of you read the article in the Moose Magazine “Health is Wealth”? How many of you “concentrate more on what we can do to improve our OWN health, rather than show how much cash we can blow on extravagance”? It’s all about OUR health. I thought this was an excellent article especially during this current pandemic. It is all about change for the better for yourself! Do you drink the right fluids? Do you exercise? Do you smoke? Do you eat nutritious foods? It is time to look at yourself and make some changes for YOU! You are needed to help your chapter, your lodge, your community and the children at Mooseheart and the seniors at Moosehaven. Take a stand and make some changes in your OWN lifestyle.

It was an exciting evening at the Annapolis Lodge welcoming our Supreme Governor Bruce Berger and his wife, Donna! It was a wonderful time to meet and greet. Thanks to the kitchen staff for a delicious dinner also. Bruce spent several days visiting our Lodges and meeting the wonderful people within those lodges and chapters. We wish him a successful term!

By now many of you have elected, appointed and installed your officers and chairmen for this year. I wish each of you a successful and prosperous year. Make sure you attend your required officer training if you are working toward personal honors. Working together makes our fraternity much more enticing to our new members. Remember to get those new co-workers assigned to a committee and personally invite them to volunteer at your functions.

Please join me in congratulating Peggy Miles as your incoming Deputy Grand Regent for 2020-2021. I know she will do an excellent job in her new role!

Fraternally,  
*Dr. Deb* 😊

## Incoming Deputy Grand Regent Peggy Miles

Greetings from Incoming Deputy Grand Regent Margaret (Peggy) Miles, This year the announcement of our appointed positions was unusual due to our current COVID-19 situation and the International Convention bring done virtually. I was excited to be chosen, but also disappointed while I couldn't share the news with my Moose family, as well as all of those that would have been there in attendance. Congratulations to all the Jr. Graduate Regent for earning their Green Cap degree and to the Chapter for the Award of Achievement. No one can do this alone, it's a team effort.

It's a privilege and an honor to be appointed as your new Deputy Grand Regent for MD/DE/DC Moose Association. Let me introduce myself, Margaret Miles. Most of you were thinking "Who is she?"; "Never heard of her?" Well most of you know me as Peggy Miles. Let me give you a little brief background information. I joined Harrington Chapter 1229 on April 10, 1994. I served the chapter in the following capacity as Mooseheart Chairman, Star Recorder Chairman, Higher Degree Chairman, Chaplain, Recorder (many times), Sr. Regent, Jr. Graduate Regent and Secretary Treasurer. I served on the Del-Mar Council of Higher Degree board as Secretary Treasurer. I'm on the Academy of Friendship Ritual Team and, fill in on the Green Cap Convocation Ritual Team. In 2014, became a member of the League of Guardians and as well Lifetime member. I'm a member of the 75 division of the Moose 25 Club. I received my Academy of Friendship on February 26, 2006, Star Recorder degree on June 20, 2008 in Las Vegas and College of Regent degree on July 2, 2011 in Anaheim CA. Enough about me!

On November 14, 2020 will be holding my reception at Harrington Moose Lodge starting at 3:00 pm. This is a tentative date; it all depends on the COVID-19 pandemic. Hope to see everyone there.

I hope everyone is ecstatic about being ONE MOOSE. As life changes so does our great Fraternity, as we become ONE MOOSE. Even, with this change our mission will never change by providing for our children at Mooseheart and our seniors at Moosehaven and our charitable endeavors. I encourage that every co-worker purchases a Lifetime membership so in May 2021 when we become One Moose you will not feel that increase in dues at the lodge level or the extra \$15.00 to belong to the chapter. As, once you become a lifetime Member your dues are covered for both the Chapter and Lodge level. I am very excited that as we become ONE it is our great equal opportunity for our chapter members to hold position in on the Lodge, District and Association level. I hope to see everyone at the Annual Convention on October 22 – 25, 2020 in person or virtually; that all depends on the pandemic and our Governors guideline restrictions on each state. Stay safe!!

Fraternally,  
Margaret "Peggy" Miles  
Incoming Deputy Grand Regent

## Deputy Supreme Governor's Message

### Travels with our Supreme Governor Bruce J. Berger

It is a tremendous honor to serve as your Deputy Supreme Governor. What a privilege it was being with our Moose International Supreme Governor, Bruce J. Berger and his with Donna. I must say this is one of the highest honors I've received as being a Moose Member.

Lodges we visited on our journey included: Wheaton, College Park, Rockville, Indian Head, Waldorf, Mechanicsville, Patuxent, Annapolis, Middletown, DE site of New Castle, Smyrna, Newark, Claymont and Marlboro. Seven of which had received the Premier Lodge Award.

I want to thank the lodges for their wonderful hospitality, generosity in treating us so special. Your lodges looked great inside and out. I was very obvious that since this pandemic all of you have put allot of work into your lodges and we Thank You.

I thank you Bruce and Donna for letting me be a part of your life for the time we spent. Being with you two I never have laughed so hard in my life from your stories and humor. Thank you so much.

## Moose Legion Ambassador's Message

Congratulation, to the New Moose Legion Directors. I see new Directors in their position that have stepped up and I thank you for this. Let all our Moose Legions step up first making their Key Club Award and our year.

The world we are living in now is a much different one than a few months ago. The coronavirus pandemic has made drastic impacts on all of our lives and it appears it will continue to do so for the foreseeable future.

We must all work together in order to guide our fraternity through these times and ensure our children and seniors continue to have the safe homes and environment that they need and deserve. We must remain strong and understand this pandemic will eventually be over. We must continue to follow the guidelines to ensure we do our part to stop this pandemic.

I know it is really early in the Moose Year especially since we didn't really start until the 1st of July. We need to remember the year still ends on the 30th of April and looking at our membership numbers we have a lot of work to do.

**Fraternally,  
Robert L. Hall, Deputy Supreme Governor**

I am excited to be your new Moose Legion Ambassador looking working forward to working with our other Moose Legion Ambassador Bobby Hall.

The drawing was held for the wood carving raffle which raised over \$1000.00 for the MD, DE DC House, which was won by Harry Blendt Smyrna Clayton, who donated it to be displayed in the Smyrna Clayton Lodge Home. I'm sure the lodge was excited to get this beautiful craving donated and, a big shout to Carl Ward of Lewes Rehoboth for his talented carving abilities and donation. Looking forward to seeing everyone in Pittsburgh and your local celebrations during my visitations.

Williamsport restarted its Moose Legion Activities Committee breakfast. This past Sunday we raised \$480.00 and totaled \$65 Endowment. Past years accomplishments include, lodge security system, chairs for ballroom, and last year we purchased commercial freezer and refrigerator for the lodge. This years goal is to help the lodge build a new pavilion.

This Sundays event was helped by the support of many volunteers, both male and female. Roughly 15 persons help make this event successful.

We had guests visiting the lodge today. Moose Legion 218 President Joe Harrison and also Past President of the association Chuck Neal, who holds dual memberships with Williamsport and Moose Legion 218.

The Williamsport Moose hosted a Bingo for Baby Dashyia, who was born in January with heart issues, was immediately transferred to John's Hopkins, the parents spent her first two months in the hospital, without work. The event was scheduled to take place in March, but then Covid. We were all delighted to see her and the parents at the August event. All are doing well

Jean Neal collected Endowment at Charm City East Moose Lodge 70 with an assist from Great Grandson, Liam Goldsmith. Liam couldn't 'hold' the bucket so he rode in it, but he was able to grab the funds offered. And like many 8 month olds do, he taste tested some . . . Nana was usually quicker, but hey—we all eat a bushel basket of dirt in our life time! YUCK!

In order to stay open during the COVID-19 pandemic, the 5th District lodges have been busy making sure they are following the protocols from the State and County governments. Lodges are having a tough time planning events and getting back to a normal routine.

Good news no application fees for signing new members.

Lodges are still taking this time while either closed or modified opening hours to deep clean, paint, making repairs to their lodge homes. Wheaton Moose Lodge 1775 has completely remodeled inside their Social Quarters, Pilgrim Hall, game room and an extensive cleaning to the kitchen.

Stay well and stay safe!

### If the Shoe Fits...it must be time to Donate!

Submitted By: Kathy Young

It is the small things that will make a difference in today's world and the ladies of the **Wheaton Chapter #1435** are always looking for ways to connect to the local community. Something as simple as sharing a story that was on our local news about two teenagers (Grace & Austin) who wanted to make a difference in times of quarantine by collecting 2,500 pairs of shoes.

Clearing my own closet, I managed to part with 30 pairs to donate. Heels, flats, business or casual, the shoe style or color didn't matter, I just knew that these shoes would put a smile on someone else's face. I decided to share my story at our Chapter meeting on a Monday night. I offered to collect any shoes the ladies wanted to part with, but the catch was they had to drop them by the Lodge by the next evening.

Happy to say just 24 hours later our Ladies came through with an additional 37 pairs of shoes. This small effort was a big win for our Chapter! A chance to clear closet space and within 48 hours donate a total of 67 pairs of shoes. Some say it takes a village, I say it only takes the **MOOSE** to make it happen. A special thanks to the ladies of the **Wheaton Chapter#1435** for your participation and support in such a short period of time.

Please don't be afraid to look for these opportunities in your community, share an idea or get involved to support others. The reward is more than giving thanks but knowing that your efforts are helping so many in need during these difficult times we're facing. Happy to report Grace and Austin collected 3,700 pairs of shoes which will go to over 127 countries through a group called Sole2Soul, a non-profit that provides shoes across the world. In addition, they provided 5 local families a year's worth of food and shelter ~ not bad for two teenagers and the help of your community.

Greetings from District 6!

It's has certainly been an interesting start to the New Year for all the lodges and chapters in District 6 as well as across the fraternity. But we have all been pitching in and getting it done. Because, we our Moose and that's what we do.

It was a great honor to have the New Moose International Supreme Governor Bruce Berger from Pennsylvania as an official visitor. We certainly enjoyed his and his wife Donna's visit throughout the 4-day trip to the MD, DE and DC Association and honored we had the opportunity to enjoy their company at so many of the District 6 Lodges. On Saturday, we met with Bruce and Donna at the location of the new planned New Castle Lodge Home with Governor Leo Custer too check out the site and give a small tour. We were so happy to have Past Supreme Governor and New Castle lodge member Ronald Sweetman in attendance there, it sure was great to see him. We then traveled over to Smyrna Clayton in District 7 for lunch. We moved on to Newark with Sam Pierson the Governor, and we were very excited to see all the new renovations that they have done. It's looking great folks. Then we all took a little break until dinner time, when we all met back up @ the Claymont, DE Lodge and Mike Slotwinski Adminstrator for another wonderful visit, too where renovations were also, done and a great dinner was served. Bruce talked about One Moose and the fraternity coming together, and how important we are to the continued success of our lodges and chapters and the fraternity.

Here is a BIG BIG Shout out to the Elkton MD Lodge on the Premiere Lodge Award and, to New Castle DE Chapter on the Award of Achievement again this past year. Congratulations to all the new officers and chairman in all the lodges and chapters. Hope you all continue to be successful; we hope you all attend the Annual State Conference, however it might be done, virtually or in person. Stay Moose Proud.

Brian Weaver  
District 6 President

Brothers and Co-workers:

I hope everyone is doing well in this time of crisis, if not I send out my prayers and hope for you well being.

As we start opening our lodges back up, I hope we are working hard at getting our members back in. In our time of shout downs, I know we lost members, either for lack of money or not wanting to pay do to the shout down. As we reopen we should be working hard getting them back in. Bring our members back is is a big deal keeping our fraternity strong. We need all the help we can get. If it's the money we bring in from them to help Mooseheart or Moosehaven or volunteers to help our lodges, we need them back. This is our time to work on retention. Keeping our member numbers up is keeping the moose strong. The stronger we are the more we can help our kids and our ladies and gentlemen at Moosehaven. So, get your committees together and work on your retention.

Let's becoming one make a difference, and bring us stronger than ever. Being unity as one can only make us stronger.

Thank you District 7 President  
Tommy II

### DID YOU KNOW YOUR OLD SHOES CAN KEEP A CHILD OFF THE STREET?

We are excited about our next fundraiser because you don't have to buy anything! We are collecting gently worn, used and new shoes to raise money for our Chapter. Not only do you help us, but the shoes also get a second life with those in need. It's a double donation!

We have partnered with Funds2orgs for our fundraiser. This company helps families in other countries by providing gently used shoes to those in poverty. Also, it will help create micro-enterprises (small businesses) for individuals in some of the most underdeveloped economies in the world. It is a true win-win fundraiser. This is a great way to clean out your closets of shoes that are not being worn or don't fit just right!

I have enclosed a flyer of the Fundraiser. The times that are on the sheets are for when the lodge opens, hopefully by the end of June. For the time being if you have any shoes that you would like to donate, please give me a call and I will make arrangements to come pick them up.

Just an FYI, all shoes must be in good condition, clean gently worn, new and used, no loose soles/heels and no holes. Shoes with eyelets for laces must have both sets of laces.

Thank you for taking the time to help with our Fundraiser!

# Membership Retention

## *MD/DE/DC Moose Association—Life membership Campaign*

All Lodges and Chapters within the MD, DE and DC Moose Association, we need to embrace this idea so we can not only strengthen our Moose units but bring our Beloved One Moose Fraternity together ( LOOM / WOTM ) working as one unit for the greater good of our Lodges and Chapters. Going forward after May 2021 we will be a one Moose Lodge, a Chapter (or whatever the name will be) and Moose Legion.

We have seen that Frederick Chapter of the WOTM has a Lifetime Membership campaign running, this is an awesome deal not only for the chapter but also, for the Lodges as well for the future of our beloved Moose Fraternity. Any member that purchases a Lifetime membership assures our units of a member for life, obviously. It also, shows a commitment to the organization and going forward it may incite that individual to be involved more, either being an officer or chairman or just supporting the lodge in their endeavors in supporting our cause or maybe they have greater things in mind. They may like to take office on the Lodge, Chapter, Moose Legion, District or Association Levels. At all levels we need to encourage this momentum that Frederick Chapter has initiated and grow and expand on that.

To expand on this campaign, we propose that the lodges and chapters run a similar campaign. Possibly, have the Lodge and Chapter contribute, equally to the discounted amount. As an example; both Lodge and Chapter could contribute 25 % of the total and then the member would be responsible for the remaining balances. The women would benefit in the short term as they will be getting the ABCD (per capita) back from each lifetime membership that is received by Moose International which would offset the discount, and the LOOM will benefit with a member who will not be lost after we become One Moose in May 2021. Coworkers that are already Life members of the WOTM will become Life members of the Lodges, and forever be on the rolls (retention). A “WIN-WIN” for both the Lodges and Chapters. Not, being a negative Nelly, but we know that when this One Moose becomes history, we are going to have WOTM that will not renew their dues because they have no interest in the extra dues or just cannot afford the additional cost. In addition, some will just say why do I want to pay dues when I can come in as a guest of my spouse. It appears that the Women currently pay from \$25.00 and up to renew annually. Under the One Moose they will be paying the Lodge Dues of approximately \$40.00 or more and after 3 years an additional \$15.00 to remain a Chapter Member. That is over double what they were paying. The Women of the Moose support the Lodges in many ways and for the Lodges it is imperative to have the Chapters in place to help with costs and contribute to the future of the fraternity. We all know that “The Women can get it done”. I believe we owe it to our members and our fraternity to protect these memberships however we can. Remember coworkers, once you have your Life Membership in the Chapter you will be a life member of the Lodge under the One Moose in May 2021 and you will also benefit from the fact that your Lifetime Membership will also include the chapter dues, so no additional dues will be required. There may also be a way that Lodges can do the same and possibly offer a similar campaign. I do not suggest the chapters offer the same additional discounts to share with the lodges as the chapter funds may not support that offer, but if the chapters would have the funds and would like to offer it would be a welcomed bonus. You could possibly establish a fundraiser to help offset the cost for these discounts, however, the lodge will also receive the ABCD per capita from each Member that can offset the discounts too.

I know there are times when we have conflicts on the Lodge and Chapter Levels with agreements on the exact way to handle things, but this is for the greater good of Your Fraternity and we are ONE Moose and we can do this ... “It’s What We Do, We’re Moose“ ... Bruce Berger.

## Membership Retention—*cont'd*

The WOTM Chapters will need to submit the Dues as one payment, payable to Moose International Dues Processing Center P.O. Box 88065 Chicago , IL 60680-1065, for this information you can visit the website [www.mooseintl.org](http://www.mooseintl.org) Member information/Campaigns/Membership Information/Life Membership. The Lodge would need to write a check for their portion to the chapter, as well as the member would need to write a check to the chapter for the remaining balance and then the Chapter would submit one check to Moose International with the members information. Receipts will always need to be issued to everyone. See the table below for Pro-Rated Options

## Young Men from MD/DE/DC Home Graduate

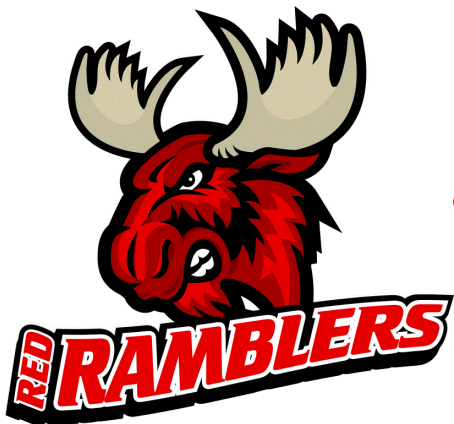

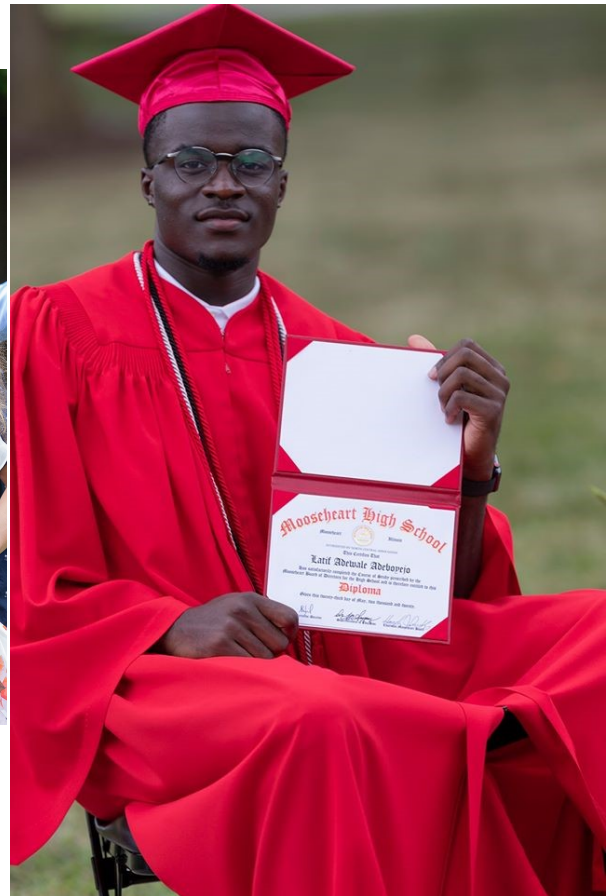

Endings and beginnings seem to be the theme of our Child City lately! Our General Director Scott Hart informed me that it'll be strange back to school this year. While most school systems are 1/2 virtual learning and 1/2 in person learning, Mooseheart will be full-time in classroom learning. However, all Illinois sports have been eliminated for the fall. Mooseheart will play intramural sports for the start of the school year.

Some of you may have had the opportunity to tune to the live broadcast on August 1st for the Mooseheart Class of 2020 Graduation. Three of our boys at MD/DE/DC Home graduated.

## Moose Charities by Past Grand Regent Libby

Message from Libby –

Gosh, how time flies! It doesn't seem possible but here we are – 1/4 of our Chapter year is gone already, and for some, your chapter year has just begun. These past couple of months have surely been difficult for some of your chapters with the COVID 19, but hopefully you are up and running and trying to get on the road to success with your chairman, and have all your positions filled, including that **very important Moose Charities** Chairman. As you know, she would be a "Special Chairman" - not installed as one of your regular chairmen - but will be very helpful fulfilling the Chapter's obligations to take care of the "Cradle" and "Rocker" and hold other fundraisers to support our beloved Mooseheart and Moosehaven, which is so vital for their survival.

Let us not forgot what we are here for and why we are members of this great "Moose" fraternity. Our children at Mooseheart and our seniors at Moosehaven depend on us for their future care.

As I mention "Moose Charities", I do want to take this opportunity to thank everyone for your help at our Mid-Year conference in Ocean City. We have good Co-Chairman that were on a mission, rolled up their sleeves, and helped prepare the future survival of our "Twin Cities" by raising money for Moose Charities. There was a lot going on and I know most of you spent your hard-earned money which helped make us be successful! You purchased tickets for the beautiful baskets, 50/50's and perhaps a new badge holder, or perhaps some delicious desserts or treats. From these approved WOTM fundraising projects, we raised a total profit of **\$2,827.00**. With the approval from the Grand Chancellor, all proceeds were remitted to Women of the Moose, earmarked for our very own MD-DE-DC Home, since the "WOTM Centennial Project" was completed. Plus, our Endowment Chairman raised **\$115.00** on her Basket Raffle which was earmarked "Endowment Fund" which secures the future of our beloved Mooseheart & Moosehaven. Once again, this was donated by Loretta Clark.

Looking at these figures, it is under our previous years of fundraising, but now that we have joint meetings with the LOOM, we do not have a 50/50 raffle at the extra 3 meetings we held previously as WOTM. Still, I cannot thank each of you enough for your participation and help in making this so successful. Special thanks go out to everyone. We

couldn't have been so successful if you hadn't been there to help us, either by donating, purchasing, or working. This shows what we can do when we all work together – **As a Team** - to accomplish what needs to be done to ensure the future of our Twin Cities, by supporting our programs and most importantly Moose Charities. Everything combined; we brought in a total of **\$2,942.00** for Moose Charities!

Again, I remind you that our very own MD-DE-DC Moose Association has taken on the responsibility of a **YEARLY** commitment of **\$60,000**, to fund our very own MD-DE-DC Home at Mooseheart. That is why we earmarked the checks to support our Association's Project.

You can also help with your personal donations throughout the year. Regardless of how large or how small your check will be, all donations are welcome **and** tax deductible, if made payable to "**Moose Charities**" earmarked MD-DE-DC Home and please be sure to include your Moose membership number on the check, so you get credit for it. Remember these are "our children" who reside at Mooseheart and our "senior members" of our fraternity, and they are what we are all about! Let's get the job done in our Chapters and Lodges and fulfill this commitment, each **and** every year.

And, YES - we are all about Money and Members! Our membership is still not where it used to be in our Chapters and Lodges. Membership continues to decline! **Members are our survival**, so let's work on this weak spot, work retention by making those personal phone calls, make those necessary changes in your chapter and lodge home which will bring our members back into our fold and make our Association #1. **We can do it – When we all work together!**

In Friendship,

*Libby*

## Government Relations Message by Bessie Staab Hickman

Hello again, here's praying that everyone is safe and healthy. This covid has certainly taken its toll on all our plans. We hear so many conflicting things about how or what to do that it seems you really have to use all your good "horse sense" and do what is working for you. This is not the first time that many of us in our "old younger years" have faced trials of this nature. We had to take each day as it came dealt with it and went on to the next day.

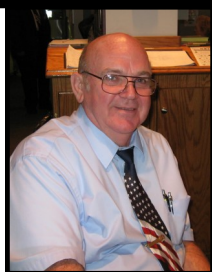

I dread the news, and detest a lot of it. But we still have to deal with whatever comes. I was caught in the riots in the sixties, we were lucky to have made it home, the block where I was employed was on fire and bricks were being thrown into our building, lucky our car faced one driveway where we were able to exit onto a street to the turnpike while dodging the bricks and bottles. After things calmed down, new laws and regulations were fashioned and put in place. I have no doubt the same thing will occur when the dust settles. So we will need to be watching for new regulations to make sure we do not lose anything when they occur and are implemented. Granted we are not and cannot be a political group, nor should we be, but, we must see that we do not lose our rights and status as a non-profit fraternity. When these changes are going into play is when we may need to stand up and be counted. There may be hard and troubled times ahead and we need to be prepared.

Here we are coming up on an election at the same time when many feel like we are in the twilight zone or another country. But we can accomplish nothing by doing nothing. Please exercise your right to vote, my feeling is with all the things we hear and see on the news it is a ploy to keep many intimidated so they will stay at home and not cast a ballot. I really don't trust the mail in I received a letter for the primary to a mail-in vote they sent me two, one was for someone who had passed and had not been on the voting rolls for several years. There have been many others in my area with the same happening. For me, too many errors on the request for a mail in vote. Rivers of blood has been spilled to make sure that we have the freedom and the rights promised in our constitution please do not throw it away.

God Bless America and may He Keep You and Yours Safe

## Moose Legion

As of this writing International Moose Legion Conference is still on schedule for Halloween weekend (October 30<sup>th</sup> – November 1<sup>st</sup>, 2020) in Pittsburgh, PA. We have a fun filled weekend planned. All the information can be found on MD DE DC web site or Intl. web site. I am hoping that all Moose Legions in the MD DE DC jurisdiction will be represented at this conference. If anything changes I will notify each and every Moose Legion.

Our main project this year is Carpet Replacement and remodeling the House of God at Mooseheart for approximate amount of \$60,000.00. All Moose Legions have received their assessments and if able I'm hoping they are paid early to receive the discounts.

The Intl. Presidents Project is to purchase a vehicle at Moosehaven to transport our seniors to off campus doctor visit when needed for the approximately \$30,000.00. We encourage any Moose Legion member or Moose Legion to donate what they feel is appropriate. Any and all donations will be greatly appreciated.

Once again we will be accepting donations for the travel of our Mooseheart Boys and Girls (separately) to visit Moosehaven next year. Any and all donations will be appreciated.

Thank You for all you do and keep up the great work in our Lodges, Chapters, Moose Legions and our "One Moose" Fraternity in the trying times we are in. Stay safe !

Respectfully submitted,  
Danny Williams, Sr. PIP  
MD DE DC & WV Area Manager
