KAYLYN ELAINE WARREN

MISSION

The Mission of Kay's Kamp is to provide children ages 5 to 17 who are battling cancer and those now in remission the opportunity to participate in a unique camping experience promoting fun and normalcy - Free of Charge!

BIOGRAPHY

Kay's Foundation began in June of 2007 as the Kaylyn Elaine Warren Foundation to fulfill the dream and last wish of Kaylyn E. Warren who was diagnosed with Acute Lymphoblastic Leukemia on October 15, 2005, at the age of 17.

Kay's Dream was to help other kids suffering from all types of childhood cancers through awareness and by opening Kay's Kamp - the First Oncology Camp in Delaware.

At Kamp, kids battling cancer can experience some "normal" in their not-so-normal lives!
